FLASH SERVICE TERMS AND CONDITIONS

FLASH Service fee is a non-refundable charge. CARDONE's product warranty applies to CARDONE ECM units only. If requesting FLASH service only and you suspect your original unit to be defective (CARDONE #s only), submit your unit to our R&R department for testing/R&R and reprogramming. See Price Sheet for testing and R&R prices.

Original (off-car) units are assumed to be in good operative condition when FLASH Service is requested. FLASH Reprogramming does not solve ECM repair issues necessary for proper vehicle operation. CARDONE cannot be held liable for any defect or damages to the ECM unit while performing FLASH reprogramming service. By submitting this form, you agree to the conditions stated above.
